The regularly scheduled meeting of the Zoning Board of Appeals was called to order at 5:40 p.m. by Mr. Fluno.

Jefferson Dental Clinic – 19333 US Route 11 – Area Variance to Construct a Vestibule and Variance Request to Setback Requirements for a Freestanding Sign

Dr. Aujla presented detailed drawings with measurements for their proposed plans for the construction of a vestibule and freestanding sign as requested by the Board at the February 4, 2009 meeting. These proposed plans include changes to the freestanding sign recommended made by the Town of Watertown Planning Board at their March 1, 2009 meeting. The plans show that they have relocated the sign farther away from the NYS right-of-way toward the building. They have also moved it further toward the north boundary of their property and reduced the size of the proposed sign.

With apologies from the Board, a decision could not be made at tonight's meeting due to a lack of quorum. The Board directed Jefferson Dental Clinic to appear at the next meeting of the Zoning Board of Appeals on April 1, 2009 at 5:30 p.m.

The meeting was adjourned at 6:15 p.m.
